This summer Simpson County celebrated with . . .

. . . parades,

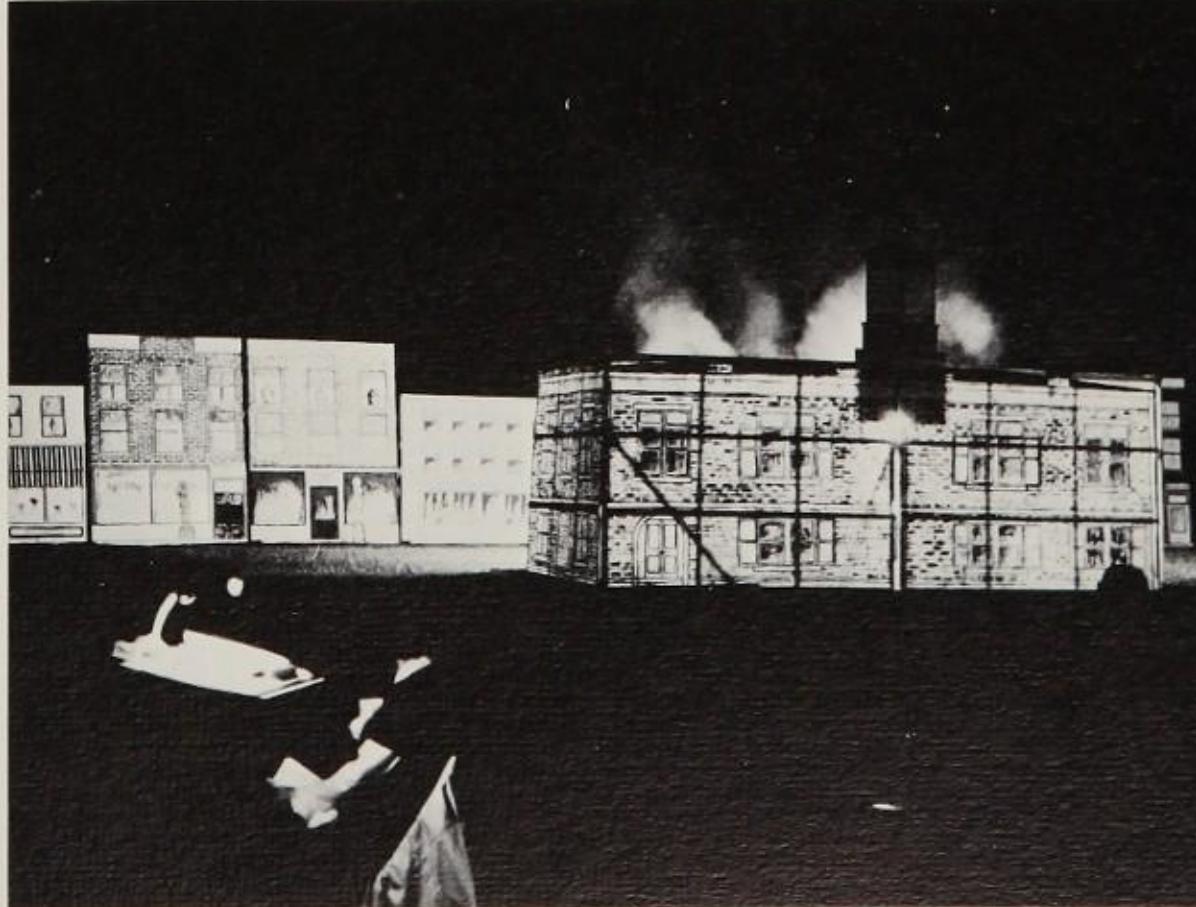

This year marked the celebration of Simpson County's Sesquicentennial. It was commemorated with pig-calling competition; beards; pie-eating contests; pet shows; horseshoe, marble and long rifle shooting tourna-

ments. Since Franklin was one of the mule centers of the world, the people celebrated a Mule Day with a Mule Day Queen. Students participated in the pageant depicting historical highlights of Simpson County.

Hope Hughes and Cathy Philips are among world-wide representatives who attended the 1969 International Affairs Institute at the University of Louisville. Here they spent ten days studying about the United States' foreign policies. They also exchanged many ideas with foreign students representing more than twenty other countries.

Delegates to the Student Council Workshop in Georgetown—James Henry Snider, Susan Beasley, Brad Hughes and Janet Swearingen—learn to be efficient executives of the Student Council.

... and Girls State and Boys State.

Each year students, achieving the highest grades on a given history test, become members of Girls and Boys State where they learn about government affairs and participate in political elections. The girls stay at Transylvania State College and the boys go to Eastern Kentucky University. On dif-

ferent days each group visits the capitol in Frankfort and has mock sessions in the House and Senate. This year's members are Frankie Moore, Stephen Harris, Betty Ogles, Paul Snider, Lucy Richardson, and Jerry McMillan.

Superintendent of Schools

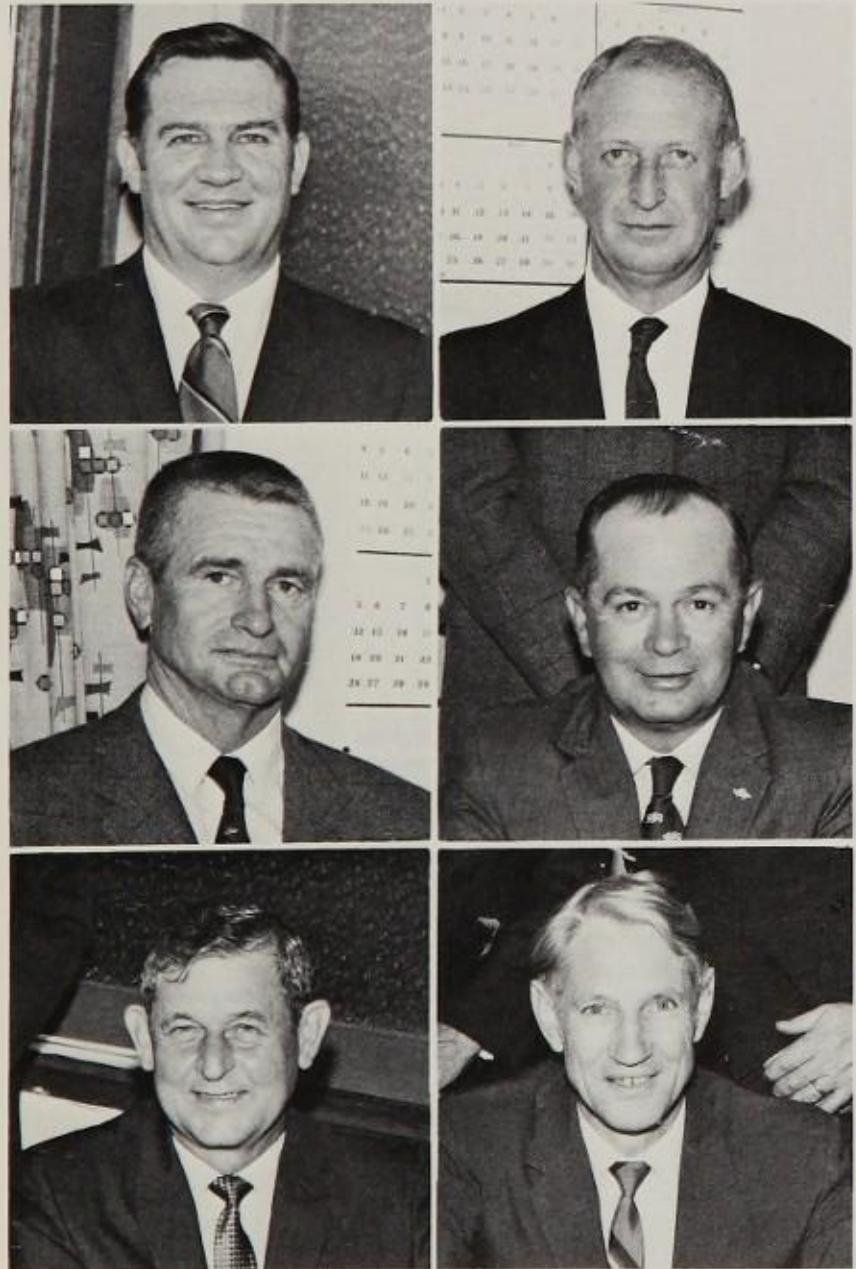

Mr. William R. Birdwell

This is the first year Mr. William Birdwell has been with the F-S school system. After receiving his M.A. at Western Kentucky University, Mr. Birdwell did graduate work at Peabody College. He coached for a while

then became a principal in Webster County. In 1959 he moved to Scottsville where he was superintendent until joining F-S this year.

Mr. Thomas Link has conscientiously been serving as assistant superintendent with Franklin-Simpson for sixteen years. He has many responsibilities to help keep F-S functioning but fills his position well.

The board is elected by Simpson County residents and works closely with Mr. Birdwell to manage school affairs. They strive to keep the educational facilities of Franklin-Simpson the best. The members of the board are Mr. William Birdwell, Mr. James D. Snider, Mr. John I. McMillan, Mr. Billie Harris, Mr. John Meador, Mr. George Freas.

FRANKLIN HIGH SCHOOL

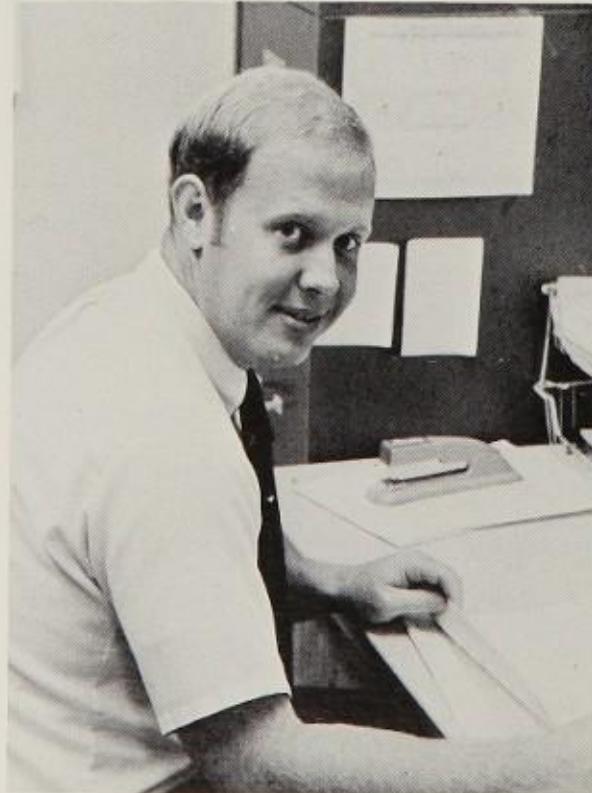

Mr. Don Stephenson

Principal

Franklin-Simpson is fortunate to have Mr. Don Stephenson, principal, and Mr. John Price, assistant principal, to manage the high school business. Mr. Stephenson and Mr. Price scrupulously work together long hard hours each day to achieve good results in the high school functions. Through their efficacy, they have earned deep respect from F-S students and teachers. They individually try to help each school project and with all modesty even help the cheerleaders in leading cheers.

Mr. Joe Richards and Mrs. Vebere Deweese share responsibilities in giving various tests and recording and averaging grades. Another important job is giving advice to students' problems or in selecting courses to take and in helping college-bound students making major decisions.

Mrs. Anna Jewell Redman, secretary and Mrs. Patsy Hall, assistant secretary, work very hard in the office with all the business affairs of the school. Besides typing and accounting, they have records and files to keep in order.

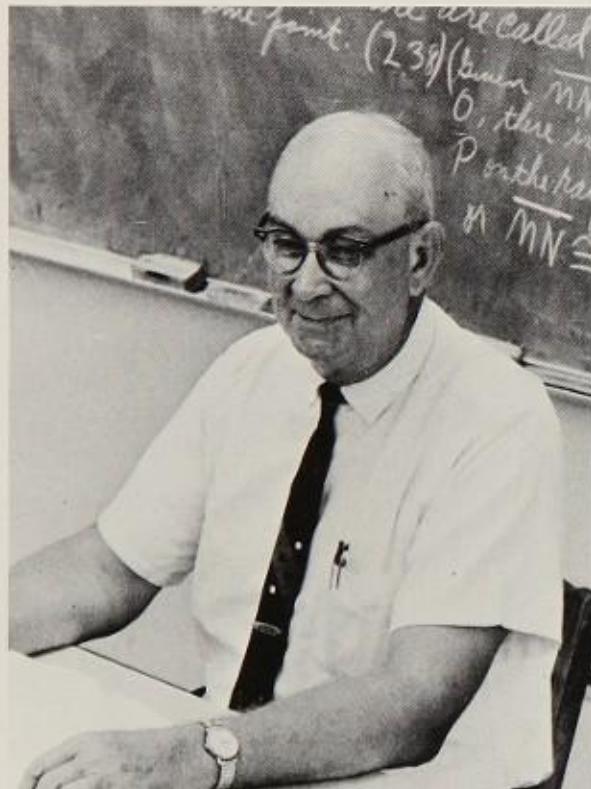

Mrs. Margaret Beach, head librarian, and Mrs. Pat Hodges, assistant librarian, co-operate in meeting the standards set for high school libraries. In the F-S library they order, process and inventory the book collection.

The Administrative Elite

The faculty of Franklin-Simpson High for the most part is extremely interested and devoted to each student as an individual. To the freshmen they give a sense of belonging; to the seniors they give a sense of maturity and responsibility that will be carried on throughout life. Besides being teachers they

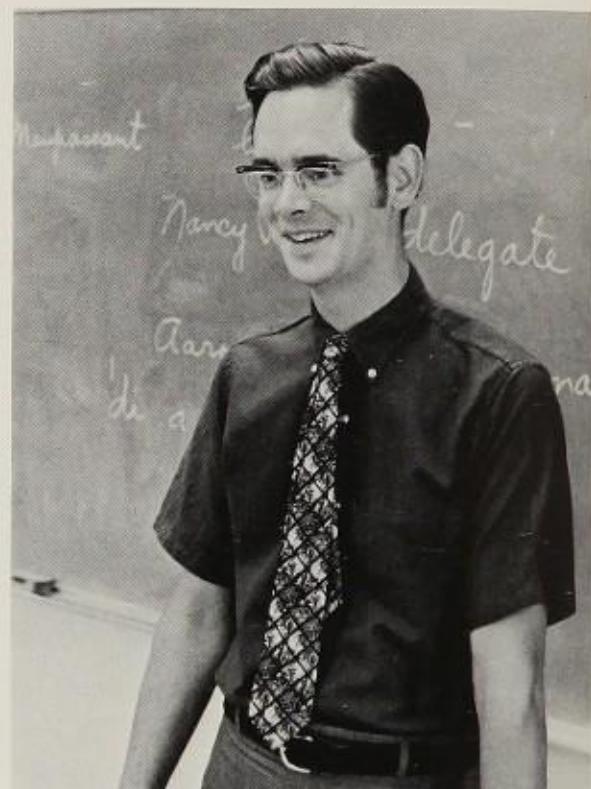

are class and club sponsors, float builders, dance chaperons, and party planners. They are part principal, secretary, guidance counselors, and pep club rolled into one. Truly first-rate teachers behind energetic students make a first-class school, as Franklin-Simpson High.

Summer Ends – School Begins

Students meet again, learn the latest, and plan future events. After summer vacations, the students have much to talk about. Each and every morning they gather in circles in the lobby to discuss who knows what.

It's time again to begin school work and studying. For freshmen this is an entirely new and frightening experience—searching for classrooms, remembering locker combinations and looking up at everybody.

These scholars are no doubt surrendering their whole-hearted attention to these first few days of inspiring class discussions.

Homecoming Week Is Loaded With Excitement

Once more due to the spirit of the student body led by the cheerleaders, a most successful homecoming was experienced by the school. Homecoming week began with sweat shirt and tennis shoe day, next came silent spirit day, then old-fashioned day. At an assembly in the later part of the week an

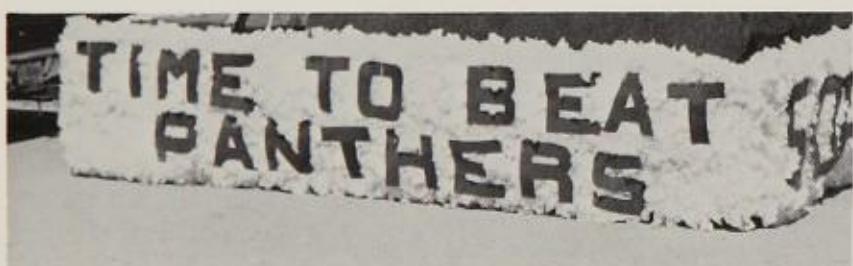

alumni, Mr. Jim Arnold, gave a speech on school spirit followed by a skit and an address by students to reiterate his speech. This was also a week of float-building for the parade Friday. Thursday night was celebrated with a snake dance, bon fire, and pep rally.

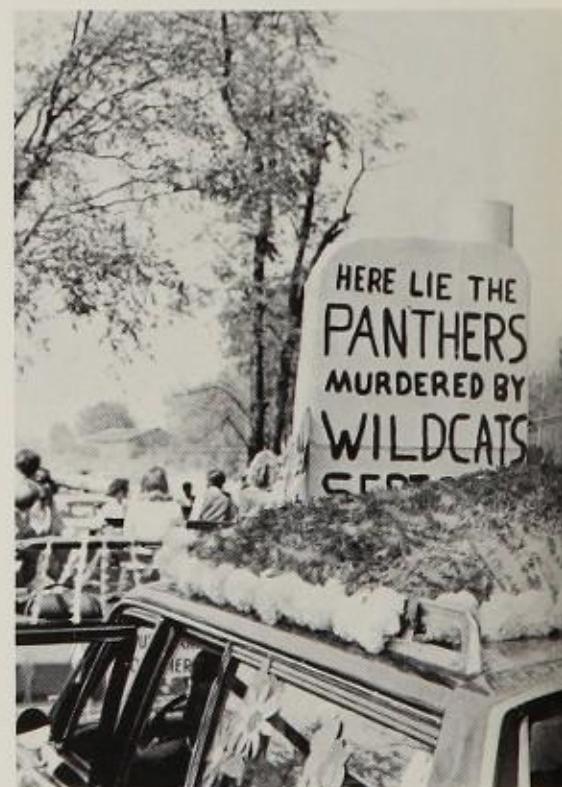

... win—junior float,

Friday was

... hate,

... compete,

a time to . . .

. . . yell,

. . . sing,

. . . embrace.

. . . dance,

A Day of Bliss

Being invited to the homecoming dance is one of the biggest thrills for most girls. Melanie is one of these girls anxiously waiting for her dream date—Todd—to ask her to the dance. That morning Todd walks Melanie to school. To herself she keeps wondering if he is going to ask her, but after the first bell they go their separate ways without any plans for that night mentioned.

Finally after fifth period, Todd walks Melanie to her locker and sets the date with her tonight.

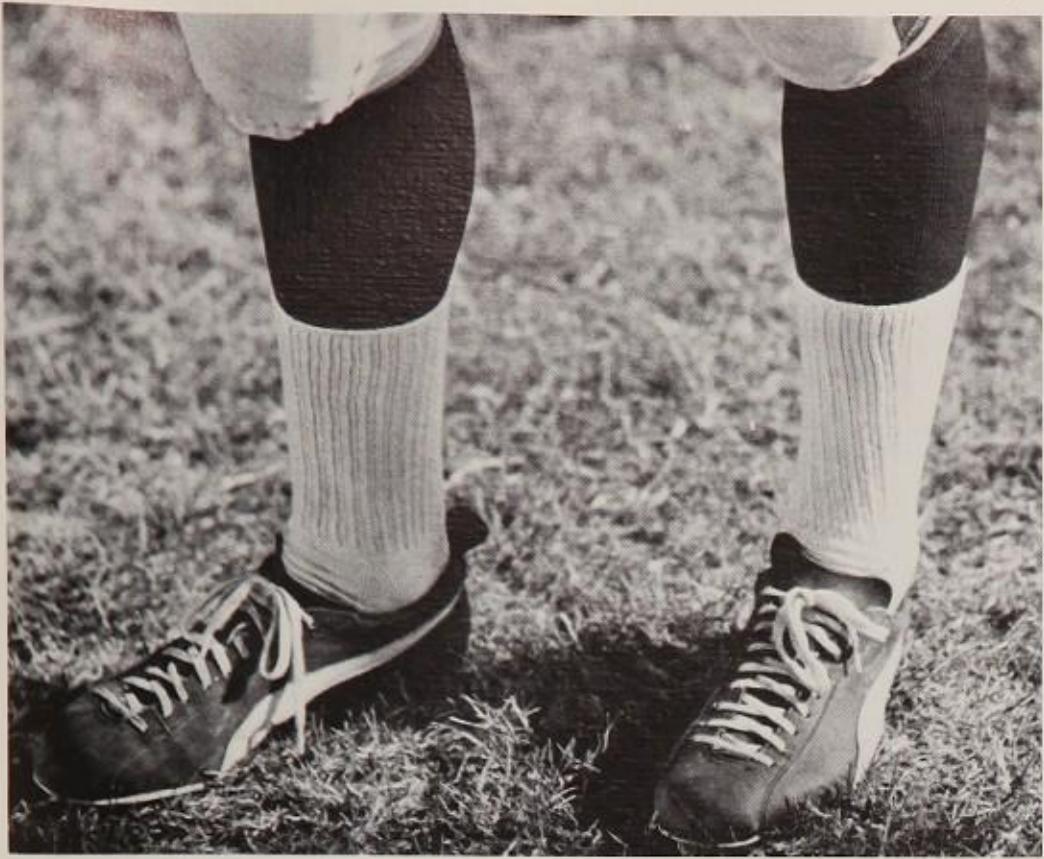

Melanie can hardly eat her lunch; she is too troubled about tonight.

In class Todd is wondering how he should go about asking Melanie to the dance.

Melanie is walking on air as she blissfully tells of his asking her to her best friend, Lee.

While Todd plays in the game, Melanie cheers, but neither can concentrate for thinking of the night to come.

After the game as Todd is driving to pick up his date, Melanie is frantically deciding what to wear.

Finally they enjoy the last gaiety of a fun-filled week—the homecoming dance.

With her porch light shining brightly, so ends the day of bliss . . .

Janet Swearingen is Homecoming Queen

Everyone ...

... has

... their problems.

The 1969 football homecoming candidates were (l. to r.) Teresa Keith, Judy Ware, Queen Janet Swearingen and Hope Hughes.

Fall Football Season

The F-S Wildcats started the season badly by losing five games, but ended successfully by winning five. Co-captains Frankie Moore and Paul Snider led the forty-one members of the team to a 5-5 record, under the coaching of Ron Martin and assistant coaching of Ken Caplenor and Jerry Griffin. Named to the All Western Kentucky Conference were Moore and Snider (below) along with Max Link (left) who played on the team this season for the first time.

F-S Wildcats

Cheerleaders work hard to boost Wildcat Spirit

F-S High is very lucky to have such energetic cheerleaders who do so much to help make Wildcat spirit what it is. Last summer they practiced very hard at a cheerleading clinic at the University of Kentucky. They are (l. to r.) Helen Cardwell, Gail Atwood, Anne Potts, Ada Ellis, Brownie Bennett, Nancy Uhls and Jennie Lou Harris. Besides planning pep rallies, they also organize sock hops, sports banquets and decorations for games. They practice about three times each week so as to perform their sharpest at all varsity football and basketball games.

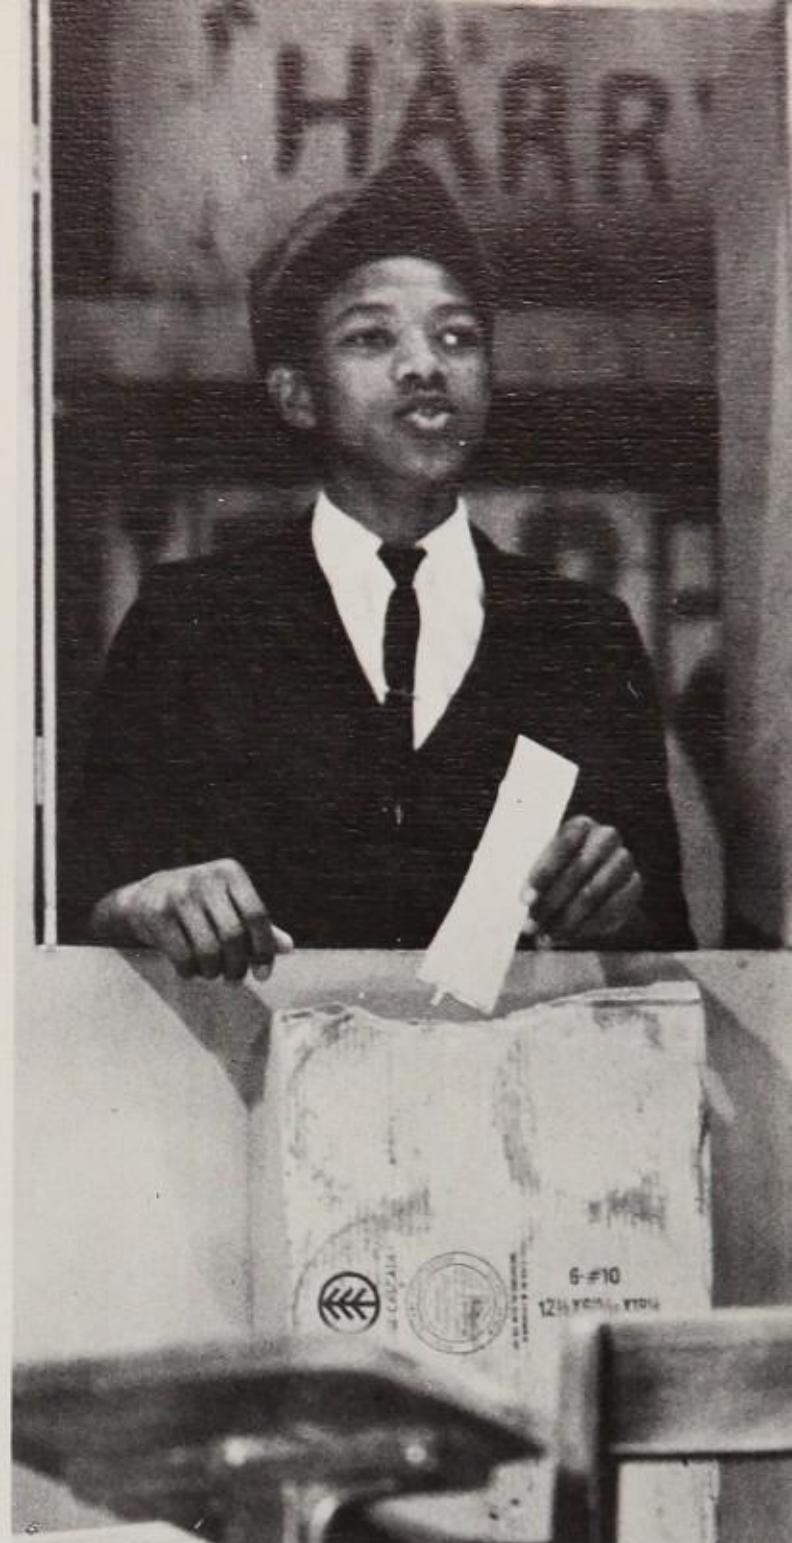

A time to initiate

Fall is a time for initiating all new members of the various organizations. The initiations range from extreme sophistication to brutal persecution, but everyone usually finds these experiences worthwhile.

The junior class performs

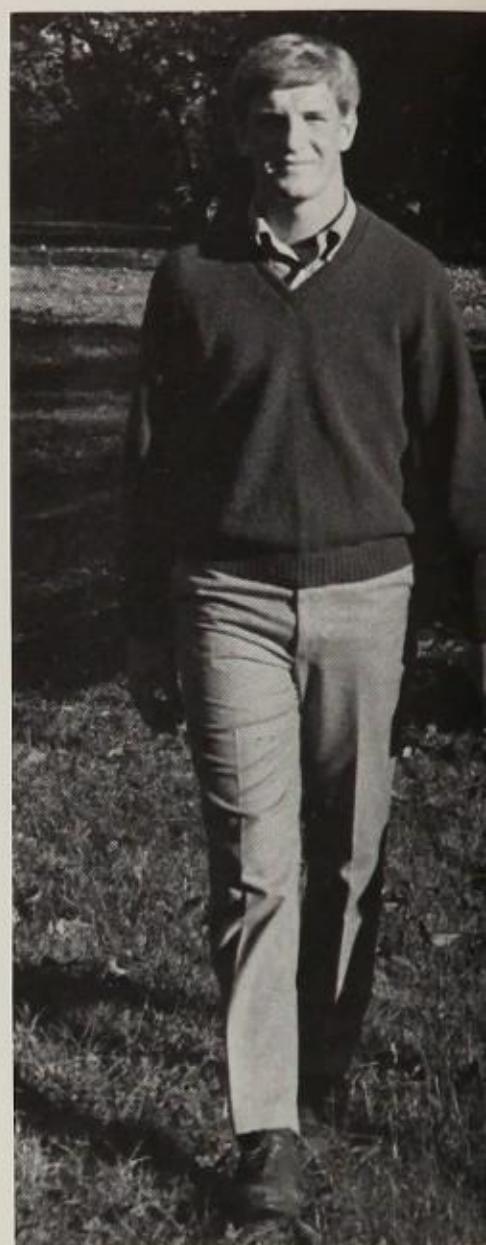

This fall the junior class performed Up the Down Staircase. A group chosen by the director, Mrs. Mary Ann Copas, worked very hard in producing a most successful play.

Mr. FSHS

Mr. Paul Snider most suitably achieved the title of Mr. FSHS by the majority of votes from the student body. Besides being co-captain of the football team and president of the Beta Club, he has acquired notability and rewards in his 4-H, church, and community projects. Franklin-Simpson High is proud to honor this vibrant, handsome, young gentleman.

Miss FSHS

Miss Anne Potts was voted Miss FSHS and has most assuredly earned her title. This pretty, talented young lady has been a varsity cheerleader during her four years of high school and also has been very active in the field of dramatics in the high school and the community. Being very artistic, she has helped tremendously with float-planning and the class prom.

F-S Choir

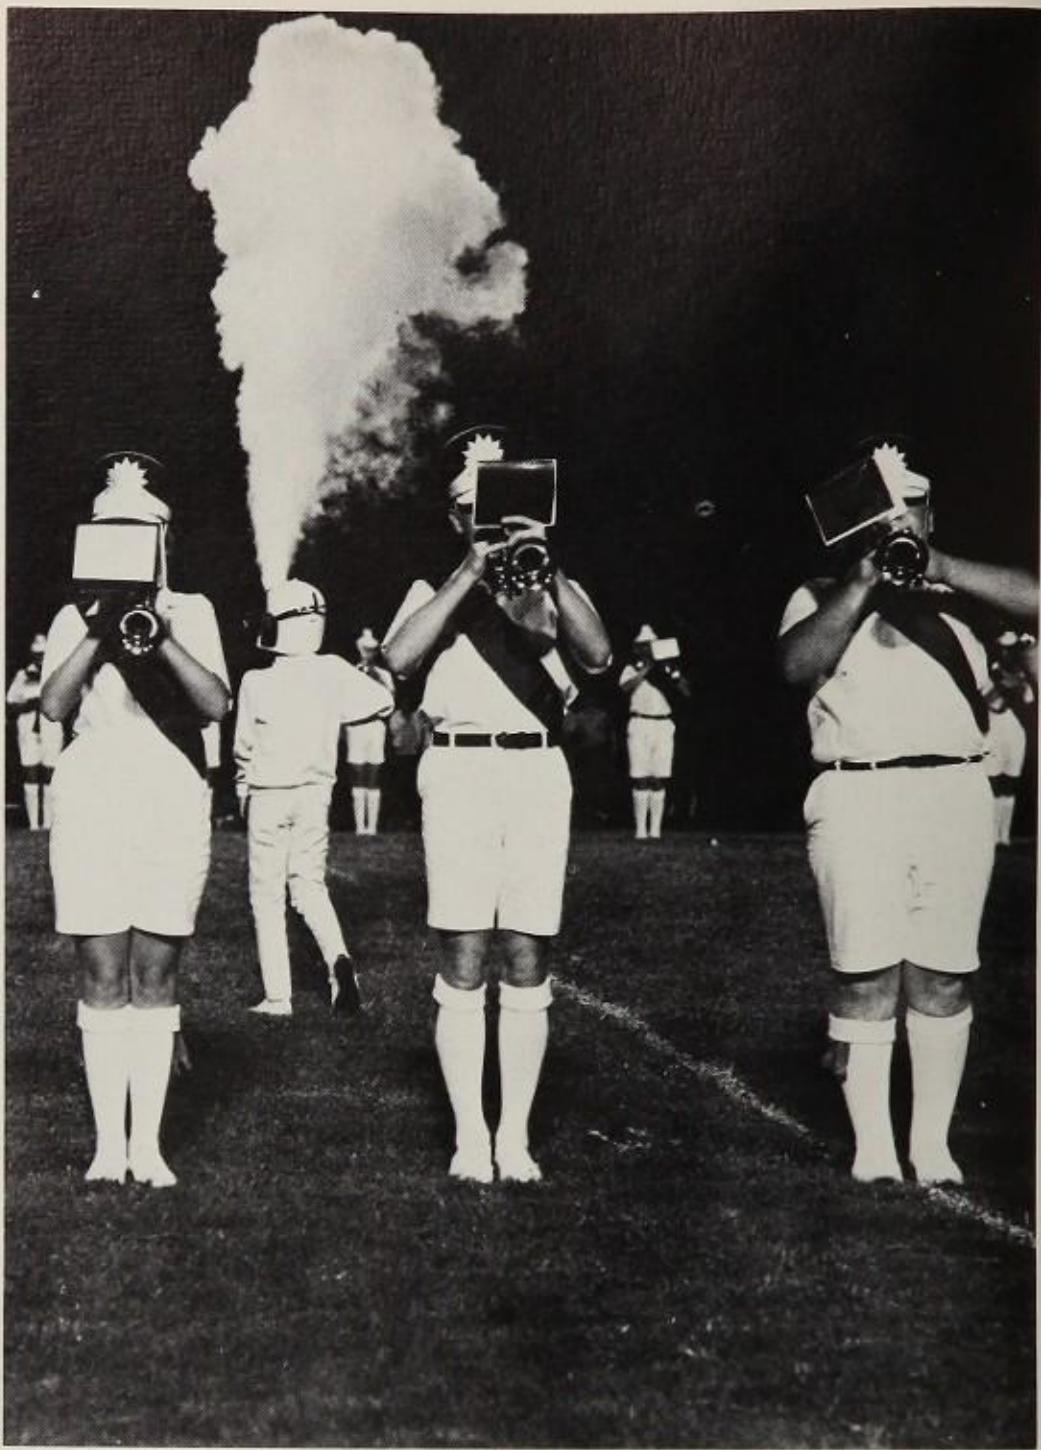

The Performers

F-S is proud of her band that works very hard to perform its best at ball games, concerts, and parades. The band has been invited to attend a festival in Florida this spring.

Cathy,
I sincerely hope this year
that you have profited by - what to do in band &
what not to do with a yearbook.
It's truly been a great year & I know
that at least we have something great to
remember. Good luck next year & I
hope whatever decision you make will
be the correct one. Bill
Brogan

A photograph of a woman kneeling in a grassy field. She is wearing a light-colored long-sleeved shirt and dark pants. She is holding a bunch of flowers. In the background, there are several trees with blossoms, likely cherry or plum, in full bloom. The sky is clear and blue.

SPRING

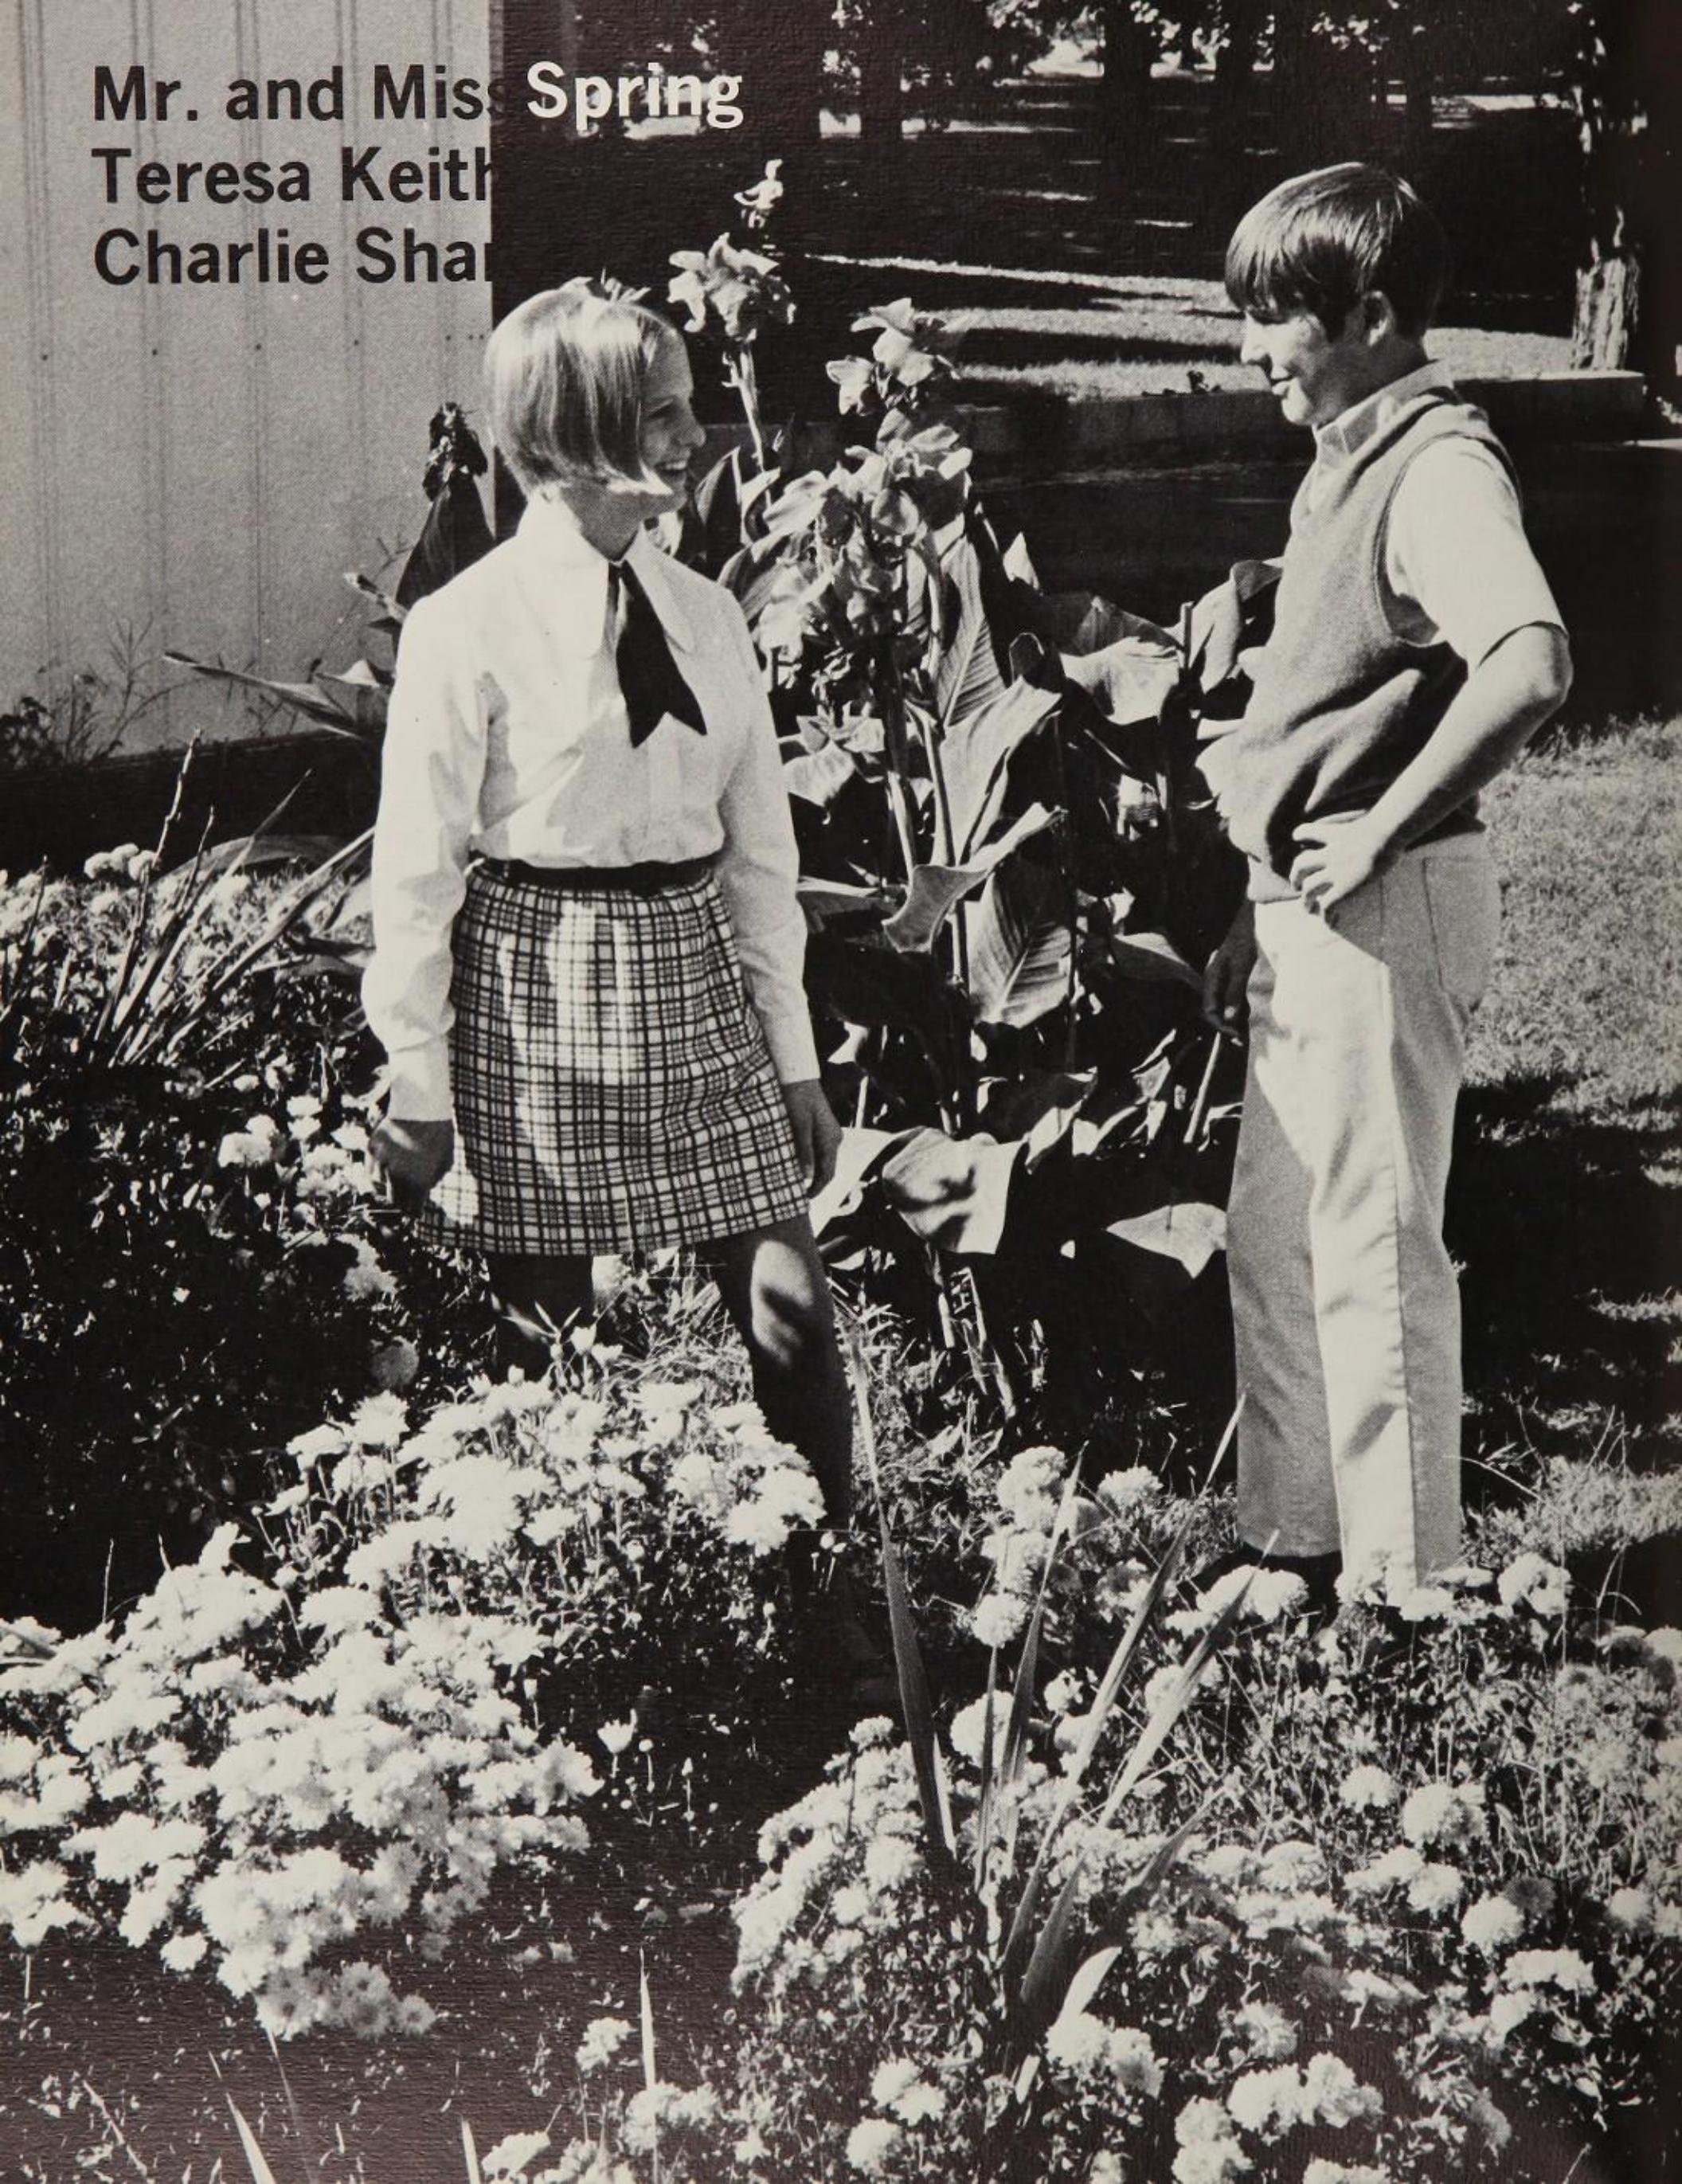

Everywhere we chance to look
Is nature's work of beauty—
Painting pictures with dapples brush
Of spring so young and pretty.

F-S Do Anything, Go Every where People—

Library and Office Workers

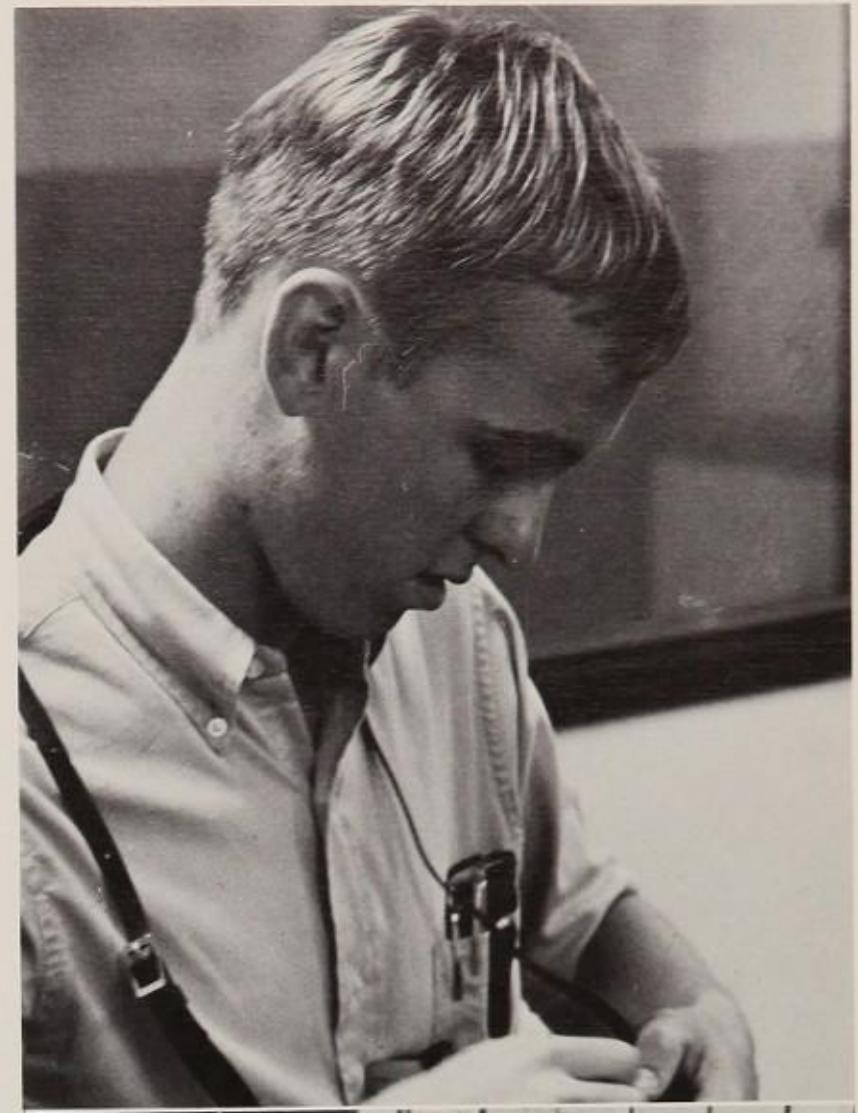

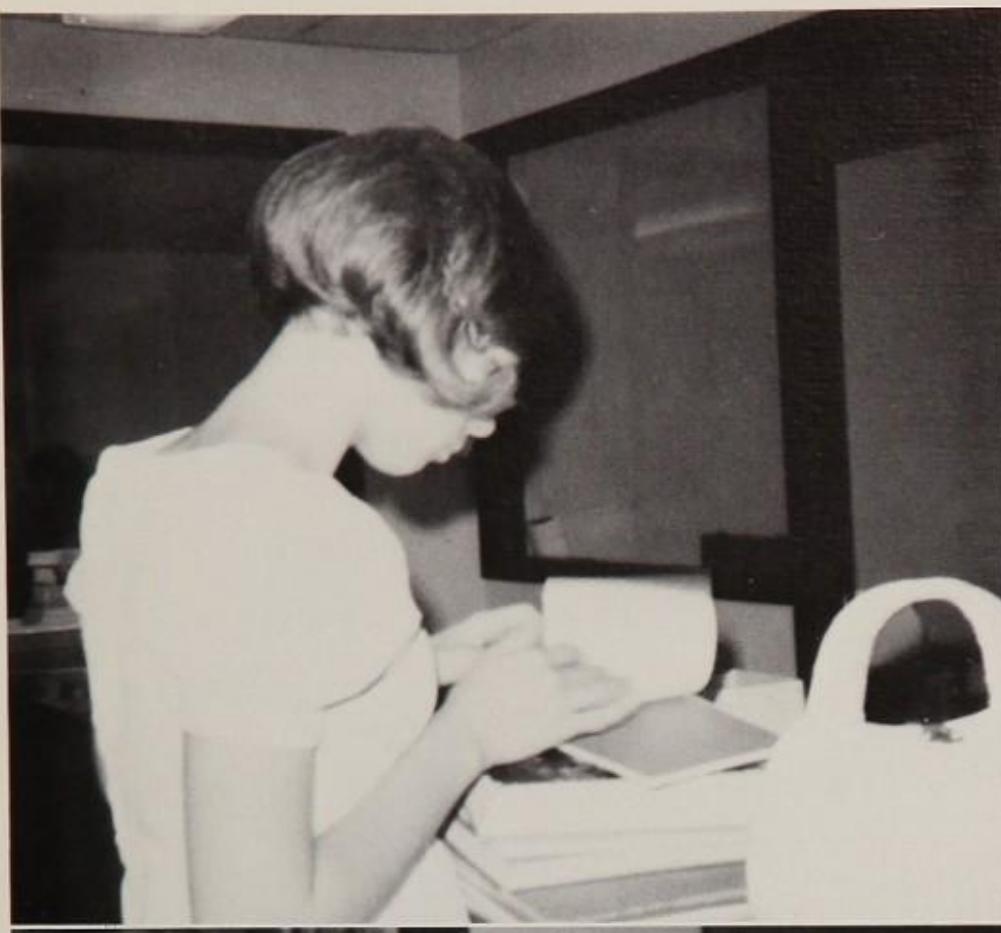

The school is very lucky to have such good helpers to lend a hand with the library and office work. It would be very hard to function without these students who give up study halls to do their duty. The Wildcat '70 gives credit where credit is due. Thank you.

Wildcat '70 Staff

During the summer of '69 the group below was gathered together voluntarily to assist in selling ads in order to publish the Wildcat '70. On the opposite page in the upper left half, Pam Barrett, assistant editor, and Mrs. Beach, advisor, also helped very much with the big task of the business duties. Our student photographer, Frank Schwab, was always kept on the go. The editor, Lucy Richardson, was very lucky to have such a good-natured and helpful company advisor, Mr. Tom Wilkins, pictured on the bottom right corner in his lavishly decorated office and expensive automobile parked outside.

T'is no season such delight can bring,
As summer, fall, winter and the spring.

Cathy
So ends a great
junior year and I
hope you'll help make our senior
year even better. We've
had some pretty bad arguments
but anyway I wish you the best
of luck anyway. Love ya,
Jill

Cathy,
I've had a lot of fun
this year and you've been
of the reasons why it's been
great. Hope to see ya next

Cathy
We've been through a lot together
this year, but I have a
sneaking feeling we'll be going
through a lot more next
year if we put our heads to
gether maybe we can come
up with an artistic, literary
historical annual that Frauke
Simpson can be proud of.
Thank you for choosing me to
work with you; it is a honor
and I hope I can live up
to it. Full capacity
I'm worried about some of
your thought tendencies.
~~so~~ You better work on
them over the summer. Ha!
Explanation later. You have
been a good friend to me and
I want to thank you for all
the good times we've had.
Come and see me some time
out at my "recluse" this
summer.

Cathy,
Best of luck
